

FLOORING DESIGNED FOR MEMORABLE EXPERIENCES

Mannington crafts flooring with unique aesthetics that make hospitality spaces shine, helping you create amazing experiences for guests and express the character of your hospitality brand. Our complete range of flooring can be intermixed for customized designs, with full performance and sustainability benefits that ensure the perfect flooring choice for every space. With Mannington, you have limitless flooring possibilities to fulfill your creative design vision.

DESIGNED TO DELIGHT
Choices for hospitality environments

CARPET

Stunning modular and broadloom designs feature high-performance Nylon 6,6, XGuard stain resistant technology and our proprietary ColorSafe bleach resistance helps keep the carpet looking beautiful.

LVT

A large selection of cutting-edge LVT visuals and sizes are available featuring Quantum Guard technology. QuickStix pre-applied adhesive reduces downtime and is suitable for up to 99% RH.

SUCCESS IS IN OUR SCIENCE

Quantum Guard Elite is a patent-pending technology that provides the ultimate performance solution for LVT flooring.

- Highest scratch resistance in the industry
- Engineered for best-in-class dimensional stability
- Superior impact resistance
- Cuts cleanly for highest quality installation
- Easy no-polish maintenance significantly reduces overall life cycle cost and total cost of ownership
- Advanced stain resistance

RUBBER WALL BASE

The perfect finishing touch for performance and style, our rubber wall base is available in a variety of profiles, types and up to 100 colors.

SOLID CORE LVT

A solid core construction, featuring a superior FloorArmor™ core, patented locking technology and attached sound abatement pad makes the perfect waterproof solution for Hospitality.

ENDLESS POSSIBILITIES

Create unique flooring patterns with Amtico Signature Collection LVT, available in myriad shapes or custom-cut to form any design.
