PERFORMANCE AND FEATURES

	<p>AVAILABLE SIZE</p>	<p>18 1/8" x 18 1/8" Available in sculptured and square raised profile designs.</p>
	<p>RAPIDLY RENEWABLE CONTENT</p>	<p>Contains 4% rapidly renewable resource content.</p>
	<p>WARRANTY</p>	<p>This product is backed by our Limited 10 Year Commercial Warranty and Limited 10 Year Wear Warranty.</p>

SUSTAINABILITY

	<p>ENERGY LEADERSHIP</p>	<p>With one of the largest solar arrays in the flooring industry (3.3 acres in Salem NJ) and ambitious goals to improve energy efficiency by 25% over ten years, we have an ongoing partnership with the Department of Energy to lead manufacturing into smarter energy use, as well as to reduce related carbon emissions.</p>
	<p>WATER REDUCTION</p>	<p>Water is a precious natural resource and a key component in manufacturing. By investing in technology and a continual emphasis on efficiency and lean manufacturing, we have reduced our water use by more than 35% since 2007. We also actively help protect wetlands in the communities where we make flooring.</p>
	<p>US MANUFACTURING</p>	<p>Mannington is a fourth generation, family-owned company deeply committed to U.S. manufacturing. We make flooring in seven communities across the U.S., allowing us to provide the highest levels of service and quality in the industry, while supporting local economies and crafting quality, American-made products.</p>
	<p>3RD PARTY CERTIFICATIONS</p>	<p>Certifications help navigate the world of green marketing claims. So we invest in ISO-14001 and environmentally preferable product certifications including NSF/ANSI-140, NSF/ANSI-332, FloorScore, and Green Label Plus. All of our products may contribute to multiple LEED and Green Globe credits.</p>
	<p>PURPLE MARTINS</p>	<p>In the mid-1980s, we began attracting migrating birds called Purple Martins to our New Jersey manufacturing campus as a more natural alternative to the use of pesticides. This "Purple Martin Project" has proven to be an incredibly environmentally friendly and cost effective way to control insects. Our employees are engaged in the banding and tracking of the birds.</p>
	<p>SOLAR ARRAY</p>	<p>At 3.3 acres, we have one of the largest solar arrays in the flooring industry, generating 1,000,000 kilowatt hours annually.</p>

SUSTAINABILITY

	<p>HONEYBEES</p>	<p>In 2009, as part of an effort to show how an industrial enterprise can coexist with the agricultural & farming community and positively contribute to both, Mannington's New Jersey corporate site began to house honeybees. We now have 5 hives in Salem, NJ and 4 in Eustis, FL. The honeybees are thriving and each year we are able to enjoy and share the honey produced.</p>
	<p>LEED</p>	<p>Mannington Commercial products may contribute to multiple LEED credits.</p>
	<p>RAPIDLY RENEWABLE CONTENT</p>	<p>Contains 4% rapidly renewable resource content.</p>
	<p>ISO 14001</p>	<p>ISO 14001 is a global environmental standard that provides a system for continual improvement in environmental performance.</p>
	<p>CE MARK</p>	<p>Certifies that a product has met EU health, safety, and environmental requirements, which ensure consumer safety. Manufacturers in the European Union (EU) and abroad must meet CE marking requirements where applicable in order to market their products in Europe.</p>
	<p>CLIMATE REGISTRY</p>	<p>Mannington is dedicated to reducing our greenhouse gas emissions by 25% over 10 years. Since 2007, a 10% reduction can be attributed to energy efficiencies, process efficiencies, and use of renewable energy. Additional information can be found on theclimateregistry.org.</p>

SPECIFICATIONS

	CONSTRUCTION	Thermoset Rubber, Type TS
	AVAILABLE SIZE	18 1/8" x 18 1/8" (460 mm x 460 mm) Available in sculptured and square raised profile designs.
	OVERALL THICKNESS	1/8" (3.175 mm)
	AVERAGE WEIGHT	44 lbs. (20 kg) per carton
	RAPIDLY RENEWABLE CONTENT	Contains 4% rapidly renewable resource content.
	3RD PARTY CERTIFICATIONS	FloorScore
	LEED	Mannington Commercial products may contribute to multiple LEED credits.
	US MANUFACTURING	Mannington is a fourth generation, family-owned company deeply committed to U.S. manufacturing. We make flooring in seven communities across the U.S., allowing us to provide the highest levels of service and quality in the industry, while supporting local economies and crafting quality, American-made products.
	WARRANTY	This product is backed by our Limited 10 Year Commercial Warranty and Limited 10 Year Wear Warranty.
	STATIC LOAD LIMIT	500 PSI
	SPECIFICATION ASTM (ASTM F1344) - Rubber Tile	Class 1, Type B
	HUD/FHA REQUIREMENTS	Exceeds
	COEFFICIENT OF FRICTION (COF)	≥ 0.5 Leather; 0.6 Rubber
	FLOORING RADIANT PANEL (ASTM E648)	Passes - Class 1
	N.B.S. SMOKE CHAMBER (ASTM E662)	> 450 - Passes
	INSTALLATION ADHESIVE	Mannington MR-911 Acrylic Adhesive Mannington MR-721 Epoxy Adhesive Mannington MR-725 Polyurethane Adhesive Mannington MR-911 One Part Acrylic Adhesive for above-grade and stairwell applications
