Arrow

A striking and confident geometric pattern with shifting rows of parallelogram tiles. An abstraction of a traditional pattern, it allows for imaginative product combinations as individual and surprising as the shapes themselves.

Arrow’s precise beauty and dynamic movement are a stunning example of our advanced cutting capabilities.

Block Weave

Shifting rows of square and rectangular tiles deliver simplicity on a large scale. Using linear products creates contrasting grain direction, highlighting the simple weave and elegant pattern.

A classic pattern is given real dynamism by contrasting blocks of linear grains.

Block Weave AROD1500

A luxurious weave given distinctive movement by lustrous bands of deep color and delicate metallic texture.

Created with:
Chroma Black

Staggered Block Repeat

Panoramic and architectural, this large-scale pattern works handsomely as a backdrop to large commercial spaces. Three varying tile sizes create subtle flow and feature stripping gives the pattern stunning definition.

Staggered Block Repeat AROD1520

Contrasting neutral tones and textures make a bold and useable statement.

Created with:
Kura Caraway
