

Vivendi Collection

A NEW DIRECTION IN FLOORING

Vivendi Collection

A COLLABORATION THAT ELEVATES
HEALTHCARE PRODUCTS
INTO NEW DESIGN TERRITORY.

Vivendi expands into a new carpet collection with modern and sophisticated visuals that create a warm, luxurious aesthetic. The Vivendi Collection is inspired by striated artisan tile and fractal geometrics with an organic twist. The visual effect is timeless yet contemporary bringing visual interest to the floor.

Developed as part of a coordinating family of products that include Vivendi resilient sheet (Perennial, Woven and Blockprint) and privacy curtains from Pallas Textiles, these collections work independently or together. For more information on coordinating Vivendi resilient sheet products, visit manningtoncommercial.com; for coordinating textiles visit pallastextiles.com.

PERFORMANCE PRIORITIES

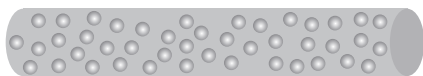

At Mannington, we know that to meet customer needs and expectations, we must create products that measure up to the highest standards of performance for commercial spaces. So we design this priority into our products from the ground up – through innovation, ever-evolving technologies, and rigorous testing.

NYLON 6,6

Nylon 6,6 performance carpet fiber provides the best appearance retention and resistance to soil penetration, wear, matting and crushing, even in high traffic areas.

TYPE 6,6 NYLON
TIGHTER MOLECULAR STRUCTURE

TYPE 6 NYLON
MORE OPEN MOLECULAR STRUCTURE

XGUARD®

Stain-defying technology gives unparalleled protection against spotting and stains.

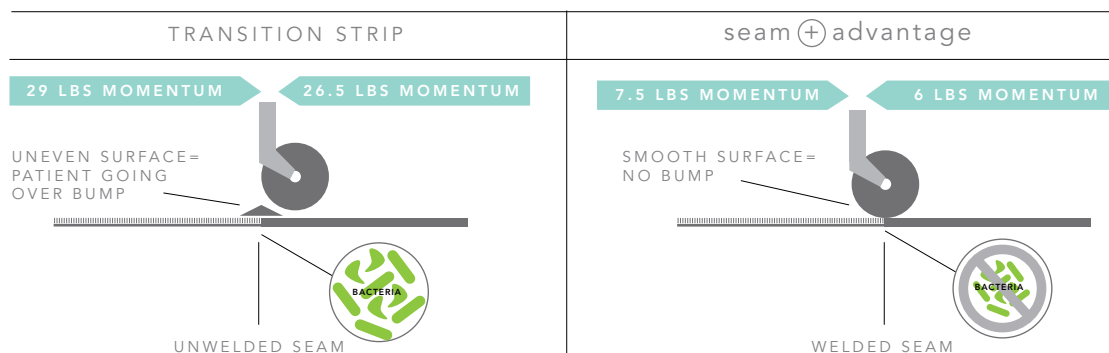

COLORSAFE®

ColorSafe® bleach-resistant technology helps maintain carpet's appearance for years, even under tough cleaning conditions.

INTEGRA HP® BACKING SYSTEM WITH seam ⊕ advantage

Vivendi Collection is standard on Integra HP® high performance broadloom backing. With Integra HP®, seams can be chemically welded to Mannington's resilient sheet products eliminating the need for most transition moldings. This innovative broadloom backing provides an impermeable moisture barrier and is engineered to perform in the toughest, most demanding commercial environments. Providing exceptional lateral seam strength with lower profiles, seam ⊕ advantage equates to the optimum mobility for heavy rolling loads and for safer foot traffic. Fifteen year warranty.

Available in 24" x 24" modular tile and 12' broadloom.

XGUARD® Stain Resistant Technology offers the highest level of performance in permanent stain resistance. Protection against common stains and ease of maintenance results in long-term appearance retention and extends the life of the carpet. Limited 15-Year XGUARD® Stain Resistant Warranty.

ColorSafe® Bleach Resistant technology resists color fade-out from bleach spills and splashes. Limited 15-Year ColorSafe® Bleach Resistant Warranty.

Integra HP®

- Contains pre-consumer recycled content
- Certified NSF/ANSI-140 Gold
- Impermeable moisture barrier, eliminates wick-back staining
- Allows seams to be chemically welded for an aseptical barrier
- Superior tuft bind wet/dry
- Passes British Spill and Moisture Impact Tests
- Available in 12' performance broadloom
- Limited Lifetime Wear and Backing Warranty

UltraBac® RE (custom option – 133 sq/yd min)

- Contains a minimum of 10% post-consumer recycled content by total product weight
- Certified NSF/ANSI-140 Platinum
- High tuft bind
- Resists edge ravel and delamination
- 12' broadloom
- Limited Lifetime Wear and Backing Warranty

Infinity® Modular

- Contains pre-consumer recycled content
- Certified NSF/ANSI-140 Gold
- Superior tuft bind wet/dry
- Superior dimensional stability
- Passes British Spill and Moisture Impact Tests
- 24" x 24" modular carpet tile
- Limited Lifetime Wear and Backing Warranty

rEvolve® Modular (custom option – 133 sq/yd min)

- Closed loop recyclable thermoplastic polyolefin backing system contains a minimum of 40% total recycled content, including a minimum of 10% post-consumer recycled content by total product weight
- Certified NSF/ANSI-140 Platinum
- Energy efficient manufacturing, utilizes fewer raw materials
- Superior dimensional stability and superior tuft bind wet/dry
- Passes British Spill and Moisture Impact Tests
- 24" x 24" modular carpet tile
- Limited Lifetime Wear and Backing Warranty

- Infinity® Modular and Integra HP® contain pre-consumer recycled content. Certified NSF/ANSI-140 Gold
- rEvolve® Modular contains a minimum of 40% total recycled content, including a minimum of 10% post-consumer recycled content by total product weight. Certified NSF/ANSI-140 Platinum (custom option)
- UltraBac RE® contains a minimum of 10% post-consumer recycled content by total product weight. Certified NSF/ANSI-140 Platinum. (custom option)
- Meets CRI Green Label Plus
- Adhesive meets VOC content limit of SCAQMD Rule #1168
- ISO 14001 registered manufacturing facility
- Contributes to LEED credits
- Carpet can be reclaimed through Mannington's LOOP® carpet reclamation program
