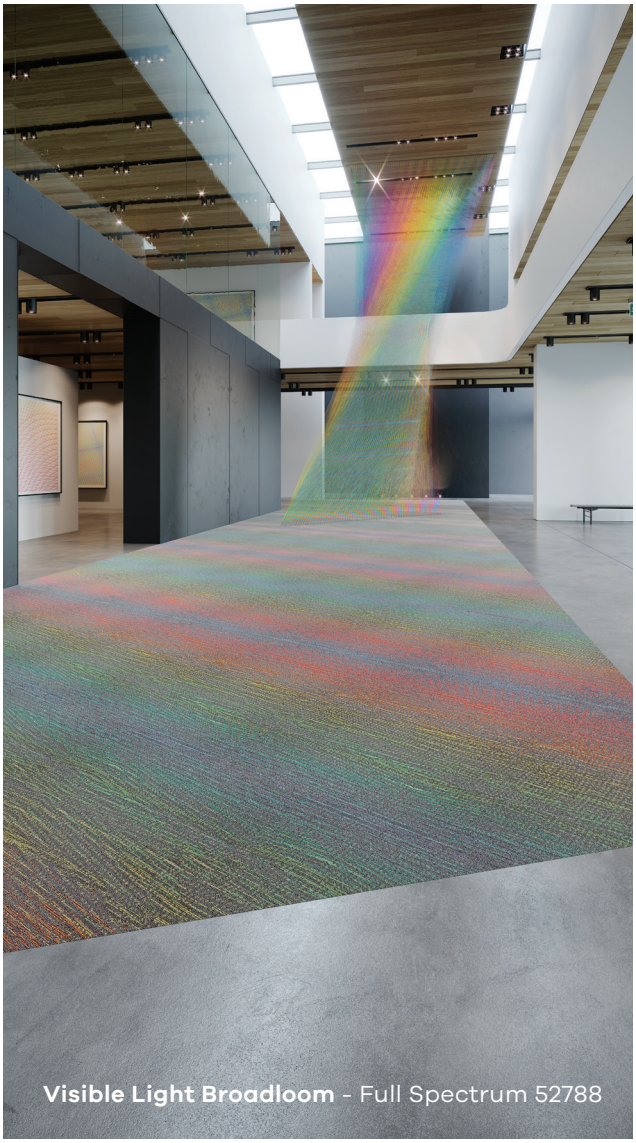
Moiré Collection

The Moiré Collection was designed in collaboration with artist Gabriel Dawe and inspired by his art installations, in which he uses miles of thread in delicate color gradations to create unique shapes of depth and volume. The Moiré Collection translates the delicate color work and dynamic patterning of Dawe's art into a versatile flooring solution.



Visible Light Broadloom - Full Spectrum 52788

Ray Tracing Modular - Shine 15784;
Visible Light Modular - Aura 24787 (inset)
Installation - Herringbone

Visible Light Modular - Lumens 12782, Flux 72785 (inset)
Installation - Vertical Ashlar (Flux turned 90 degrees)

Crafted with purpose

Pure Wavelength Modular - Frequency 13783
Installation - Horizontal Brick Ashlar

Crafted with purpose

Each modular plank in the Moiré Collection shows a small section of a larger color gradient. A package of planks includes a random mix of sections from the gradient of your choice. The swatches shown here represent part of the visual of just one plank from each package, i.e., from each gradient or colorway.
