

Self Assembly Collection

Elevating artisanal texture into stunning design, the Self Assembly Collection developed from the craft of knitting and observations on the unique evolution of patterns. The collection's four styles were created with design versatility in mind: to wholly fill a space or be paired with each other to create a rich tapestry of textures.

Crafted with purpose

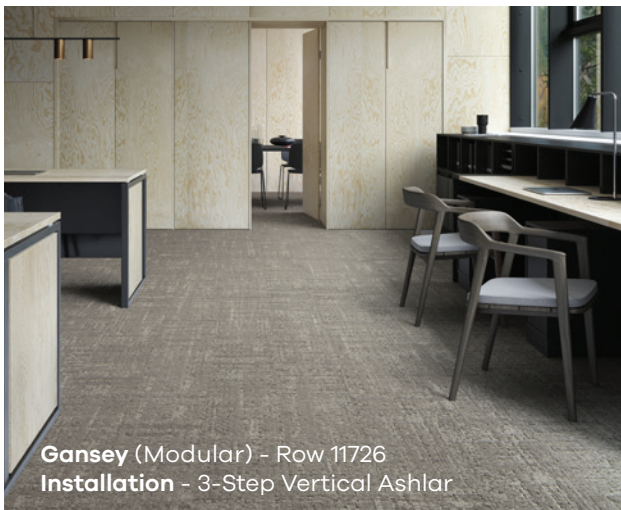

Stockinette (Modular) - Knit 14729
Installation - 3-Step Vertical Ashlar

A STUDY IN THE CRAFTED TEXTURES, THE FOUR PATTERNS OF MODULAR TILE ALLOW DESIGNERS TO BUILD RICH, TACTILE PATTERNS INTO THEIR SPACES

Styles / Colors

- Aran Modular
 - 9 colors, 12" x 48" tile
 - Abstracted cable stitch, creates an irregular linear texture
 - 23 oz weight
- Continental Modular
 - 9 colors, 12" x 48" tile
 - Heavy textured piece which represents the way yarn is "picked" to form stitches
 - 33 oz weight
- Gansey Modular
 - 9 colors, 12" x 48" tile
 - Uses a combination of knit stitches to create a grid-like texture
 - 22 oz weight
- Stockinette Modular
 - 9 colors, 12" x 48" tile
 - Based on the most basic knitting stitch, emphasizes a smooth, even pattern
 - 22 oz weight

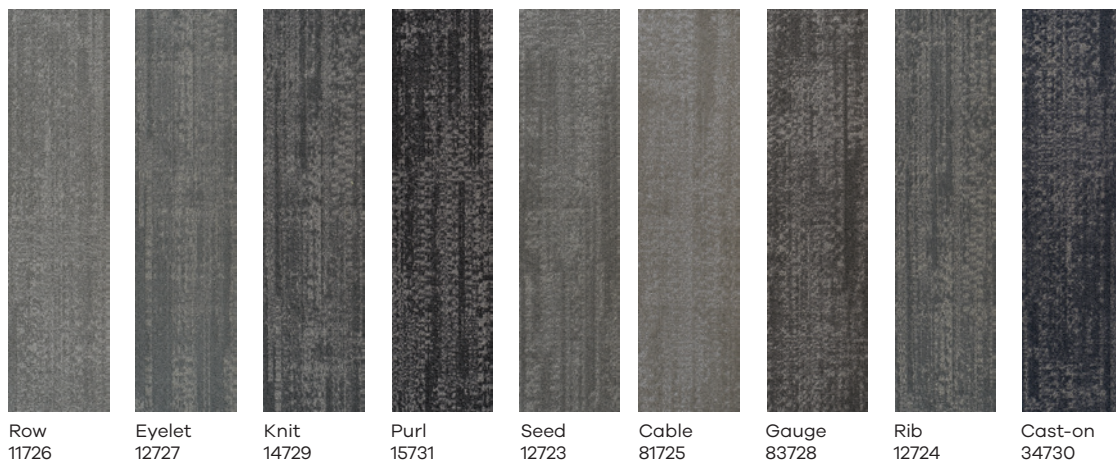

Gansey (Modular) - Row 11726
Installation - 3-Step Vertical Ashlar

Performance Benefits

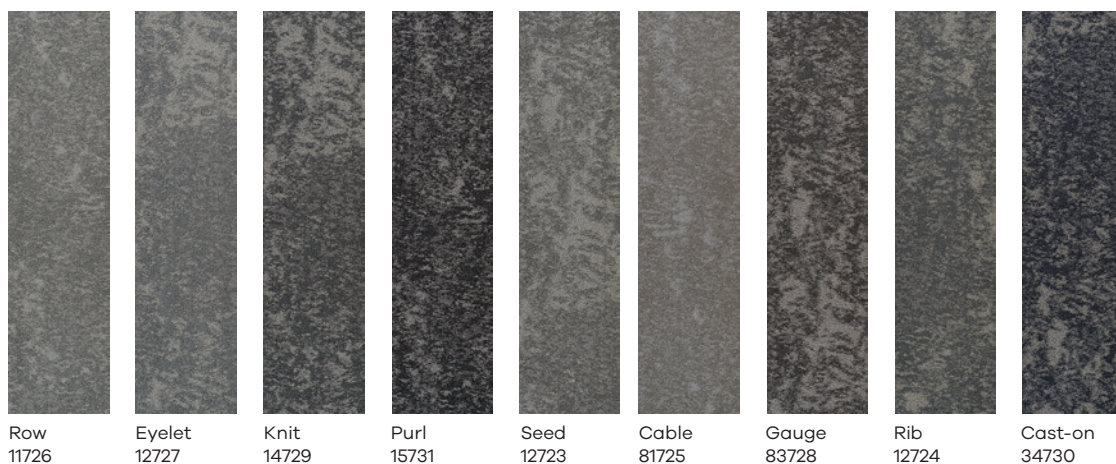

- Antron® Lumena DNA™ Type 6,6 Nylon delivers permanent built in protection against stains and soil. As a result, your carpet stays beautiful and easy to clean for its entire lifecycle, helping reduce your total cost of ownership and helping your facility stay cleaner.
