

Specification

Mannington MGfleece Adhesive Specification

DESCRIPTION

MGfleece Adhesive is a high-solids ultra-premium acrylic pressure sensitive adhesive for commercial vinyl back carpet. MGfleece Adhesive is solvent-free, freeze-thaw stable, and has permanent antimicrobial protection. This product has been especially developed to address problems of moisture vapor emissions in concrete slabs that receive Mannington's Infinity 2 MG modular backing systems.

USES

MGfleece is the appropriate adhesive for installation of Mannington's Infinity 2 MG over newly constructed concrete slabs. Moisture tolerance must not exceed 99% RH (ASTM-F-2170) and pH of 12. Renovation or older slabs must not exceed 95% RH and pH of 10.

SPECIFICATIONS

MGfleece:	Acrylic Pressure-sensitive
Quantities:	4 gal. Pail
Unit Weight:	40 lbs.
Order Code:	390278
Color:	Tan – Red and Gold Tracers
Flammability:	Non-flammable, Water Based
Shelf Life:	1 year from manufacture date on unopened containers
Warranty:	Limited Lifetime performance warranty
Coverage:	Max 25 yards per gallon on smooth floors using a 1/16" x 1/32" x 1/32" U notch trowel

Note: Do not use this adhesive with latex or polyurethane backed carpet. MGfleece is not recommended for concrete slabs where hydrostatic pressure or renewable moisture sources exist.
