

## SIGNATURE INSTALLATION METHODS

The **Against the Grain Collection** from Mannington Commercial was designed with flexibility in mind. Each pattern can be installed as a stand alone design or use multiple patterns in combination for a unique aesthetic tailored specifically for your space. Our Signature Installation Methods bring that high design, customized look to any interior project.

Our Boxweave, Planked, and Cross Banded installations are simple. Simply follow the below diagrams or print off a larger version of the diagram from our website at [www.manningtoncommercial.com](http://www.manningtoncommercial.com). Contractors should confirm the correct installation method prior to installation.
